

Bree Jamieson-Halloway

Bree Jamieson-Holloway is Co-Founder and CEO of Nurtured Life. A corporate lawyer by trade, qualified in Ontario and the UK, Bree has practiced in Ontario, London England and Hong Kong. She has broad international business experience working for and representing government, public and private sector companies of all sizes from around the world.

Bree caught the entrepreneurship bug through helping her legal clients turn ideas into business realities. Her keen business eye, ability to see opportunity in risk, enthusiasm for innovation and forward-thinking approach, blossomed her love of entrepreneurship.

In 2018, she launched Nurtured Life, a women-led tech start-up in Ottawa, with the goal to make wellness more accessible and available to everyone
