

Mike Gifford is the CEO of OpenConcept Consulting Inc.. Mike started OpenConcept 20 years ago because he saw that the internet could make the world a better place. For the last decade he has spearheaded accessibility improvements in Drupal. Drupal is an open source content management system that drives about 3% of the web. Mike founded A11yYOW, Ottawa's web accessibility meetup and also a co-founder of CivicTech Ottawa. Community driven civic technology try to find ways of helping citizens and government agencies work together to improve policy, design & adoption of appropriate technology. Mike has presented at many technology events and is passionate about open source, accessibility, sustainability and open government.
